Notification of a Body in the framework of a technical harmonization directive

From: Inspectie SZW To: European Commission

P.O. Box 820 GROWTH Directorate-General 2500 AV Utrecht 200 Rue de la Loi, B-1049 Brussels.

Other Member States

Reference: Legislation: 2014/34/EU Equipment and protective systems intended for use in

potentially explosive atmospheres (recast)

Body name, address, telephone, fax, email, website:

Element Materials Technology Rotterdam B.V.

Zekeringstraat 33, 1014 BV

Amsterdam Netherlands

Phone: +31 (0)76 5424300

Fax :

Email: info.breda@element.com

Website:

Body: NB 2812

The body is formally accredited against:

EN ISO/IEC 17065 - Product certification

Name of National Accreditation Body (NAB): RVA (RvA)

The accreditation covers the product categories and conformity assessment procedures concerned by this notification: Yes

Tasks performed by the Body :

Last approval date: 02/08/2019

Product family, product /Intended use/Product range	Procedure/Modules	Annexes or articles of the directives
Category M1 equipment	Conformity to type based on quality assurance of the production	Annex III Annex IV Annex V
	process (Module D) Conformity to type based on product verification (Module F)	Annex IX
	Conformity based on unit verification (Module G)	
Group I electrical: Category M2 equipment	Conformity to type based on internal production control plus supervised product testing (Module C1) Conformity based on unit	Annex III Annex VI Annex IX
Group I electrical:	verification (Module G)	Annex III
Protective systems	are duet verification (Madula E)	Annex V Annex IX
Group I electrical: Components	EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D)	Annex III Annex IV Annex V Annex VI
	Conformity to type based on internal production control plus supervised product testing (Module C1) Conformity to type based on	Annex VII Annex IX
	product quality assurance (Module E) Conformity based on unit verification (Module G)	
Group I non-electrical: Category M1 equipment	Conformity to type based on quality assurance of the production process (Module D)	Annex III Annex IV Annex V Annex IX
	Conformity based on unit verification (Module G)	
Group I non-electrical: Category M2 equipment	Internal Production Control (Module A) and the communication of the technical documentation as Art. 13.1(b)(ii)	Annex VIII
Group I non-electrical: Protective systems	EU-type examination (Module B) Conformity to type based on	Annex III Annex V Annex IX
Crown Lagrangian destrication	verification (Module G)	A manaya III
Components	Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on	Annex III Annex IV Annex V Annex VI Annex VII
	Conformity to type based on internal production control plus supervised product testing (Module C1)	Annex IX
	Conformity to type based on product quality assurance (Module E)	
	Conformity based on unit verification (Module G)	

Product family, product /Intended use/Product range	Procedure/Modules	Annexes or articles of the directives
Group II gas electrical:	EU-type examination (Module B)	Annex III
	Conformity to type based on quality assurance of the production process (Module D)	Annex V
	Conformity to type based on product verification (Module F)	Annex IX
	Conformity based on unit verification (Module G)	
Group II gas electrical:	EU-type examination (Module B)	Annex III
Category 2 equipment	Conformity to type based on internal production control plus supervised product testing (Module C1)	Annex VI Annex VII Annex IX
	Conformity to type based on product quality assurance (Module E) Conformity based on unit	
	verification (Module G)	
Group II gas electrical: Category 3 equipment	Conformity based on unit verification (Module G)	Annex IX
Group II gas electrical: Protective systems	EU-type examination (Module B) Conformity to type based on	Annex III Annex V
Protective systems	product verification (Module F) Conformity based on unit	Annex IX
	verification (Module G)	
Group II gas electrical:	, ,	Annex III
Components	Conformity to type based on quality assurance of the production	
	process (Module D)	Annex V Annex VI
	Conformity to type based on product verification (Module F)	Annex VII
	Conformity to type based on internal production control plus supervised product testing (Module C1)	Annex IX
	Conformity to type based on product quality assurance (Module E) Conformity based on unit	
	verification (Module G)	
Group II dust electrical:	EU-type examination (Module B)	Annex III
Category 1 equipment	Conformity to type based on quality assurance of the production process (Module D)	Annex V
	Conformity to type based on product verification (Module F)	Annex IX
	Conformity based on unit verification (Module G)	
Group II dust electrical:	EU-type examination (Module B)	Annex III
Category 2 equipment	Conformity to type based on internal production control plus	Annex VI Annex VII
	supervised product testing (Module C1)	Annex IX
	Conformity to type based on product quality assurance (Module E)	
	Conformity based on unit verification (Module G)	
Group II dust electrical: Category 3 equipment	Conformity based on unit verification (Module G)	Annex IX
Group II dust electrical:	EU-type examination (Module B)	Annex III
Protective systems	Conformity to type based on_	Annex V Annex IX
Group II dust electrical:	EU-type examination (Module B)	Annex III
Components	Conformity to type based on quality assurance of the production process (Module D)	Annex IV Annex ¥79 129.Annformity based on u
		Annex VI

Product family, product /Intended use/Pro	oduct range Procedure/Modules	Annexes or articles of the directives
	Conformity to type based on product verification (Module F) Conformity to type based on internal production control plus supervised product testing (ModuC1)	Annex VII Annex IX Ile
	Conformity to type based on product quality assurance (Modu E)	le
	Conformity based on unit verification (Module G)	
Group II gas non-electrical: Category 1 equipment	EU-type examination (Module B) Conformity to type based on qua assurance of the production process (Module D) Conformity to type based on product verification (Module F)	Annex III lityAnnex IV Annex V Annex IX
	Conformity based on unit verification (Module G)	
Group II gas non-electrical: Category 2 equipment	Internal Production Control (Module A) and the communication of the technical documentation at Art. 13.1(b)(ii) Conformity based on unit	Annex VIII On Annex IX
Group II gas non-electrical: Category 3 equipment	verification (Module G) Conformity based on unit verification (Module G)	Annex IX
Group II gas non-electrical: Protective systems	EU-type examination (Module B) Conformity to type based on product verification (Module F) Conformity based on unit verification (Module G)	Annex III Annex V Annex IX
Group II gas non-electrical: Components	EU-type examination (Module B) Conformity to type based on qua assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity to type based on internal production control plus supervised product testing (Module	Annex V Annex VI Annex VII Annex IX
	C1) Conformity to type based on product quality assurance (Modu E) Conformity based on unit verification (Module G)	le
Group II dust non-electrical: Category 1 equipment	EU-type examination (Module B) Conformity to type based on qua assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity based on unit	
Group II dust non-electrical: Category 2 equipment	verification (Module G) Internal Production Control (Module A) and the communication of the technical documentation at Art. 13.1(b)(ii) Conformity based on unit	Annex VIII on Annex IX
Group II dust non-electrical: Category 3 equipment	verification (Module G) Conformity based on unit verification (Module G)	Annex IX
Group II dust non-electrical: Protective systems	EU-type examination (Module B) Conformity to type based on product verification (Module F) Conformity based on unit verification (Module G)	Annex III Annex V Annex IX
Group II dust non-electrical: Components	EU-type examination (Module B) Conformity to type based on qua	Annex III lityAnnex IV
